Member Play Policies, Privileges & Agreements

- As a member you will be asked to comply with our annual Golf Car lease agreement which applies to both club owned golf cars -or- private trail fee golf cars that are included in your membership package. The annual Golf Car lease agreements reads as follows:
 - All persons must be at least 16 years of age with a valid driver’s license to operate this vehicle and do so in a safe manner.
 - Golf cars should utilize golf car paths when available and should remain a minimum of 30’ feet away from teeing grounds and putting surfaces.
 - In acceptance of the privilege to lease a golf car annually and use of the gps system, -or- private trail fee golf car access you are knowingly accepting responsibility for your own negligence in its operation.
 - Members are liable for all physical damage, medical and legal claims that may arise from annual lease and operation of the golf car. You voluntarily agree to accept the risks of using a golf car and on behalf of yourself, your guests, and your heirs hereby voluntarily release Koshkonong Mounds CC, and its owners, officers, employees from any

and all claims, actions, causes of actions, suits, judgments and demands for bodily injury, property damage, loss of life and/or loss of services, in law or equity, that may in any way or manner arise out of use of the golf car.

- Handicap flags and/or reduced golf car restrictions are available for those members with health conditions or physical limitations. A medical release may be requested for extended/annual requests.
- Members can book tee times reservations up to 10 days in advanced. Members will also be able to make "standing tee time reservations" for their respective Men's & Ladies Day privileged times/seasons. Members who request/book tee times will take precedence over members without a reservation.
- Pace of play is set at 4 hours...all groups are asked to maintain this pace. Five (5) player groups are allowed for member groups only...permission must be granted from the golf shop staff prior to a five (5) player group starting play. The purpose of allowing five (5) player groups is to create camaraderie and avoid "the odd man out" scenario, allowing all members greater access to finding a group to engage. Groups more than five (5) are not allowed.
- On-course practice is not allowed to the point of creating excessive damage or wear to the golf course, nor should any practice disrupt the normal course of play.
- Playing the course out of order or "hole hopping" is strongly discouraged, especially during high volume peak playing times.
- Members will be expected to adhere to the clubs dress code policy. The club dress code simply calls for "Proper golf attire to be worn at all times". - Members receive "Mill River" private pricing on all golf shop purchases. This essentially is wholesale cost + 15%, which allows the club to provide you with top-line products at drastically reduced pricing bypassing national vendor MAP pricing requirements.
- Members receive a 10% discount on all non-event club-house dining when utilizing their member number. Please remember, our staff has a lot of names to become acquainted with. By knowing your Member number, you can greatly assist us in our efficiencies and accuracy of account billings.
