### All USGA Rules will govern play with the following highlights:

- The one-ball rule is not in effect.
- Rangefinders and GPS yardage systems will be allowed. Players are allowed to share yardage information.
- The Pace of Play is set at 4 hours 20 minutes...slow play penalties will be assessed as needed by the tournament committee. Caddies and/or fore caddies are allowed.
- Ground under repair is marked with white circles or short white posts. GUR may be determined within your group if there is doubt and a tournament committee member is not available, please play 2 balls and a decision will be made before final scoring is posted.
- Natural Areas are deemed a part of the golf course and should be played as a penalty area and may be identified by red stakes. The boundary of the natural area is defined by the mown edge or cut line.
- The Natural Grassed effigy mounds on Hole #18 are in play - relief may be taken at cost of 1 stroke.
- Free relief from the landscaped area left of #8 green. Free drop if ball ends up in this area, no closer to the hole.
- Out of Bounds is identified by white lines or stakes. The O.B. area is defined by the mown edge or cut line. When present, split rail fences that border the golf course are deemed as a boundary fence and are defining O.B. The rock wall located behind #9 green is also a boundary marker and defines O.B. Per rules, any relief taken from physical boundary is done so under "unplayable lie" and is assessed a penalty of 1 stroke.
