KITCHEN ASSISTANT

Fast-paced, fun work environment! Each day is something different and this role is very important for our success in providing an excellent guest experience. We are looking for a self-starter who takes pride in their work environment. This is an exciting opportunity as our management team offers a fresh perspective, and eagerness to grow our successful organization! Experience in food prep is ideal, however, absolutely willing to train the right candidate.

Skills &
Experience

Qualifications

- Flexible work schedule; able to work varying shifts to include holidays, weekends, and evenings
- Willingness to work as part of a team
- Able to lift up to 50 pounds
- Willing to perform other job-related duties as assigned
- Ability to work calmly, efficiently, and professionally in a busy restaurant and event venue environment

Responsibilities

- Ensure high-quality cleanliness and sanitary condition of all dining and food preparation materials
- Wash, sanitize, and dry dishes, glassware, silverware, pots and pans, cutting boards, and any other dining and/or food preparation-related items via the dishwashing machine or by hand
- Help the culinary team with food preparation
- Assist with stocking, receiving products, organizing storage areas, and any other miscellaneous duties required to maintain the culinary areas
- In addition to our restaurant, we have an event facility. Having attention to detail with event setup, and being part of our team to create a wonderful experience
- This position can grow your culinary career through a mentorship/apprenticeship by our experienced Executive Chef and Sous Chef.

Job Type:

- On-Season March - October: Food prep, working the line for restaurant dining and events
- Off-Season November - February: Kitchen deep cleaning and organizing, menus, dining and events.

Work Setting: Golf course with restaurant serving daily (lunch and dinner, brunch on Sundays) and event venue for wedding, corporate, and private parties

- Family-oriented environment and willing to work around schedules.
- Competitive salary!
