

Koshkonong Mounds Country Club

VIRTUAL GOLF OUTINGS

Don't give up on your biggest fundraising source just yet...we have a solution for you and your golf outing! Koshkonong Mounds Country Club is offering Virtual Golf Outing services that allow participants to have fun, receive raffle tickets and prizes, and give back to the organizations they support.

HERE'S HOW IT WORKS:

- Participants will register for the outing as they normally would
- Raffle tickets can be included in the registration process and mailed to participants
- Participants will be mailed golf passes & meal tickets to use at their leisure between specified dates given by outing coordinators
 - Scores will be posted on a virtual scoreboard that will be viewable by all participants
 - Outing coordinators can host a virtual banquet with all participants to announce the winners of the outing and raffle ticket winners (tickets would be pre-picked before banquet)
- Prizes can be mailed to winners or picked up at specified location

We would help you through every step of this process, so rest assured that KMCC has you covered.
